

International Call Rates

International calls are charged on a per-second basis and do not incur additional call connection fees. Prices are valid as of 01/04/2020 and subject to change without notice.

If you wish to call a destination not included on this list, please use an alternative service such as Skype for these calls.

Note: To prevent customers becoming victims of scamming, Bendigo Telco block international numbers by default on our VoIP voice products. If your voice service uses VoIP technology, please speak with our Customer Help team to enable international calling.
